CALL FOR APPLICATION FOR A RESEARCH SCHOLARSHIP

Ref^a FUNPET BI_1

[Portuguese version](#)

A call for tenders is now open for the attribution of one Research Scholarship within the scope of the Project “FUNPET – Desenvolvimento de formulações funcionais para petfood à base de subprodutos suínos” financed by the FEDER through the Programa COMPETE2030, under the following conditions, set out below.

Scientific area: Biotechnology

Admission requirements:

General requirements:

Candidates for the Research grant must, at the date of application, be enrolled, or present a commitment to enroll in a study cycle conferring an (PhD) degree in Biotechnology or related areas. Candidates for the Research Grant, after being selected, must enroll in the doctoral program in Biotechnology at the Escola Superior de Biotecnologia to initiate the grant agreement. This enrollment should align with the theme and work plan of the grant to be carried out under the above-mentioned project. Accordingly, the doctoral program must be undertaken at the Escola Superior de Biotecnologia by the team designated to implement the work plan.

Candidates for the Research grant must hold a master's degree in biotechnology, Animal Biology, Biological Sciences, or related areas.

Specific requirements:

Candidates must also have knowledge/research experience in the following areas:

- a) Knowledge of laboratory practices, experimental design and data analysis.
- b) Good command of the English language, both spoken and written.
- c) Strong interest in research related to functional ingredients, animal nutrition and health, and ability to work effectively in a multidisciplinary research environment involving both academic and industrial partners.
