

RESEARCH FELLOWSHIP

Refª cLabel_BI_PPS3_3

[Portuguese version](#)

A tender is now open for the attribution of a Research Grant under the project “**cLabel+: Innovative “clean label” natural, nutritious and consumer-oriented foods**” (POCI-01-0247-FEDER-046080), co-financed by the Fund European Regional Development (ERDF) through the Competitiveness and Internationalization Operational Program (POCI), under the following conditions:

Scientific Area: Agro-Food

Admission requirements:

Applicants for the research grant must have a Master's degree in Food Science and Technology or similar area. Applicants for the Research Grant must also be enrolled or commit to enrolling in a course that does not confer an academic degree, that promotes the consolidation of their scientific training ¹. It is essential that candidates have good command of the English language and have research experience in natural ingredients: chemical and biological characterization, meat products, sauces and/or confectionery products: formulation and microbiological, physicochemical, nutritional and texture characterization of novel foods. Experience in research projects in the area of the project will be considered preferential factors.

Work plan:

The activity to be developed by the grant holder is part of a research project whose main goal is to develop processes and products that are perceived by consumers as consistent with products with natural ingredients, with limited use of a large number of additives, and that allow, by their physical, chemical and nutritional properties, to provide the expected experience, while maintaining food safety. The specific objective is to develop optimized formulations for the reduction of synthetic preservatives, salt content and color stabilization in different food matrices, namely sauces, meat products and confectionery products.

The research fellow will participate in the experimental tasks of the project, collection and analysis of research data, and writing of articles.

Applicable legislation and regulations:

- Statute of Scientific Research Fellow in force:
<https://dre.pt/web/guest/legislacao-consolidada/-/lc/58216179/view?w=2019-08-28;>

¹ Candidates are given the possibility, at the application stage, to submit only a declaration of commitment to enroll in a course that does not confer an academic degree under the aforementioned terms. If the candidate is selected, the non-delivery of the effective enrollment document for the course within 10 working days following the date of communication of the selection will be considered as withdrawal of the candidate for the scholarship investigation for which you were selected.

- Regulation of Research Grants of the Foundation for Science and Technology, I.P. in force: <https://dre.pt/application/conteudo/127238533>;
- Regulation of Research Scholarships of Universidade Católica Portuguesa in force: http://www.porto.ucp.pt/sites/default/files/files/DRH/RegBolsasInvestigacao_Cientifica_UC_P2020.pdf

Work place:

The work will be developed at the CBQF - Center for Biotechnology and Fine Chemistry of the Universidade Católica Portuguesa - School of Biotechnology, under the scientific guidance of Prof. Ana Gomes, Prof. Manuela Pintado and Prof. Paula Teixeira.

Duration of scholarship(s):

The scholarship scheduled to start will start on January 1st, 2022, and will last for 5 months on an exclusive basis.

Amount of monthly maintenance allowance: The amount of the scholarship corresponds to €1104,64 € according to the table of values of the scholarships awarded directly by FCT, I.P. in the country (<https://www.fct.pt/apoios/bolsas/valores.phtml>) and will be paid by bank transfer.

Selection methods:

The selection methods to be used will be the following: i) curriculum assessment (40%); ii) previous experience (60%). The final decision, if necessary, may involve an interview with the best positioned candidates, and in this situation, the weighting will be curricular evaluation (35%); ii) previous experience (50%) and selection interview (15%).

Composition of the Selection Jury: President of the Jury: Prof. Manuela Pintado; Members: Prof. Paula Teixeira and Doutora Joana Barbosa; Alternates: Doutora Maria João Monteiro

Form of publicity/notification of results: The jury deliberates according to the selection criteria adopted and disclosed. The jury's meetings are recorded in minutes that contain a summary of what took place in them. After completing the application of the selection criteria, the jury proceeds to prepare the ranked list, in order of ranking of eligible candidates. The ranking list of eligible candidates will be posted on the premises of the Universidade Católica Portuguesa, in Porto, located at Rua de Diogo Botelho, 1327, 4169-005 Porto - Portugal, each candidate being notified of their position on the list classification via email. Ineligible candidates will be notified by email, explaining the missing eligibility elements.

Complaint and appeal procedures: Candidates have a period of ten working days, after the disclosure referred to in the previous number, to comment, in the context of a prior hearing.

Deadline for acceptance of the scholarship: Within ten working days following the notification of the scholarship award, the selected candidate must confirm in writing their availability to start the

scholarship on the proposed date. Not doing so or not having availability, the candidate placed in the next position will be called.

Form of submission and deadline for applications:

Applications are formalized by completing the [Formulário de Candidatura](https://inqueritos.porto.ucp.pt/hr/index.php?r=survey/index&sid=679823&lang=en)
