

PUBLIC NOTICE/0020/2023

**ANNOUNCEMENT FOR THE OPENING OF AN INTERNATIONAL SELECTION TENDER PROCEDURE FOR
THE HIRING OF A LABORATORY TECHNICIAN**

[Portuguese version](#)

Internal Reference: BE@T_Técnico Laboratório_1

1. Framework

The Rector of Universidade Católica Portuguesa, Prof. Dr. Isabel Capelo Gil, hereby announces an international selection tender for one vacancy of Laboratory for the exercise of scientific research activities, in the scientific area of Biotechnology, to be developed at CBQF – Centro de Biotecnologia e Química Fina, integrated at Escola Superior de Biotecnologia of the Universidade Católica Portuguesa, in Porto, within the framework of the research project “BE@T – Bioeconomy for Textiles and Apparel, investment TC-C12-i01 – Sustainable Bioeconomy”, funded through the Program for Recovery and Resilience (PRR).

Within the scope of this project, research will be carried out in the area of valorization of agro-food by-products, with a focus on obtaining functional biomolecules for the textile area. The activities to be carried out fall within Activity A2, of Pilar II, Initiative 5 and Measure 2 of the project and will have as objective the chemical extraction of active agents with textile industry application and the selection of a set of sustainability focused green chemistry extraction technologies. A period of 24 months is expected for the development and execution of these activities.

2. Workplace

The workplace is located at the Porto facilities of the Universidade Católica Portuguesa.

3. Remuneration

Gross monthly remuneration to be paid is 1280,79 euros, plus meal, vacation, and Christmas allowances.

4. Admission requirements

Any national, foreign, and stateless candidates who hold a master degree in Biotechnology, or related scientific fields, and a scientific and professional curriculum whose profile is suited for the activities to be performed, can submit an application. In the event the master degree was awarded by a foreign higher education institution, said degree must comply with the provisions of Portuguese law on the recognition of foreign degrees. For those purposes, the requirements described in **point no. 9** of this notice must be considered.

4. 1. General and Specific Requirements

The general admission requirements are those defined in point 4 above. Regarding the specific terms, candidates must have the following characteristics:

- At least 2 years of experience in scientific research;
- Master's final classification of at least 15 values;
- Experience in extracting phenolic compounds from agro-food by-products and in their chemical characterization;
- Experience in the extraction and characterization of functional and bioactive molecules from agro-food by-products
- Excellent communication, interpersonal, and teamwork skills;
- Strong organizational skills, leadership and initiative skills, as well as time management skills;
- Accuracy-driven and accountable;
- Strong work, autonomy, and responsibility skills;
- Proficiency of written and spoken English.

5. Selection process

The selection methods, based on the requirements listed in point 4, will be the following: i) curricular evaluation (50%); ii) previous experience (50%). If necessary the best candidates will be interviewed and the weighing will then be the following: i) curricular evaluation (35%); ii) previous experience (50%); and iii) selection interview (15%).

The applications which do not meet the admission requirements of point 4 will be excluded.

The position can only be awarded to candidates who achieve a final grade higher than or equal to 16 (out of 20).

6. Tender selection panel

President of the Jury: Prof. Dr. Manuela Pintado; Other members:

Doctor Eduardo Costa and Prof. Doctor Freni Tavaría

7. Deliberation

The panel shall deliberate by means of a roll-call vote under the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be drafted and shall include a summary of all occurrences of said meeting, as well as of all votes cast by the members and respective reasoning. After application of the selection criteria, the panel shall prepare a sorted list of approved candidates and respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate. The ranked list of approved candidates will be posted at the Porto facilities of Universidade Católica Portuguesa, located at Rua de Diogo Botelho, 1327, 4169-005 Porto, Portugal and will be announced on the website <http://www.porto.ucp.pt/>. Candidates will be notified by email once this list is made available.

8. Preliminary hearing and final decision deadline

After being notified, all candidates have 10 days to respond. The panel's final decisions are pronounced within the next 5 days, after the 10-day response period.

9. Application formalization

Applications must be sent by email to: drh.recrutamento.porto@ucp.pt, identifying in the subject of the email "Application to the competition with the reference BE@T Técnico Laboratório".

Applications must be submitted in English. Applications shall include the following documents:

- a) Curriculum vitae;
- b) Certificate of conclusion of the Master's degree, showing the final grades and with date of admission to the degree;
- c) Cover letter, demonstrating the candidate's motivations;
- d) If the Master Degree is issued by foreign higher education institutions, the candidate must submit the M.Sc. Recognition Certificate or proof of the application for recognition in accordance with Portuguese law.

If the Master Degree has been awarded by a non-Portuguese higher education institution it must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, regulated by

Decree-Law no. 66/2018 of August 16th. The signature of the contract is conditional on the presentation of the formal document.

Applicants are advised to check the website of the Directorate-General for Higher Education (DGES) for further information: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

10. Application deadline

Candidates may submit their applications in the terms mentioned in the previous point, **from February 25th, 2023, until March 07th, 2023 (until 5 pm Lisbon time)**.

Candidates who do not comply with the application's prerequisites or who fail to prove the eligibility requirements imposed by this tender shall be excluded. In case of doubt, the panel is entitled to request that candidates present further documentation supporting their statements. Failure to submit clarifications, information or documents that are requested, within 5 working days, determines the dismissal of the application.

False statements provided by the candidates are punishable by law.

11. Privacy policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfilment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyze and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfilment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

Rights of Personal Data Subjects: <https://www.ucp.pt/rights-data-subjects>.

For purposes of exercising the respective rights, contact the University through the e-mail address compliance.rgpd@ucp.pt or by using the address found at the end of this announcement, through the means set out in "Contacts for clarification".

The Data Subject is always entitled to contact and file a complaint with the Comissão Nacional de Proteção de Dados (Portuguese Supervisory Authority for Personal Data).

12. Non-discrimination and equal access policy

Universidade Católica Portuguesa actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefited, impaired or deprived of any rights whatsoever, or be exempt of any duties based on their ancestry, age, gender, sexual orientation, marital status, family status, family and economic conditions, instruction, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions, and union membership.

13. Final remarks

This tender is exclusively destined to fill this specific vacancy and can be terminated at any time until approval of final candidate list, expiring with the respective occupation of said vacancy.

This invitation to tender and the contract concluded as a result of it will only take effect if financing conditions are fulfilled.

This tender procedure can be cancelled when it is vacant; when any case of force majeure occurs; or when other reasons of a budgetary nature, occurring after the opening of the competition, determine it.

The selected candidate will be hired by Universidade Católica Portuguesa as a Laboratory Technician under an uncertain term contract (contrato a termo incerto), scheduled to start on April 1st, 2023, with an expected duration of 24 months.
