

**PUBLIC NOTICE FOR AN INTERNATIONAL CALL FOR APPLICATIONS  
FOR THE POST OF Laboratory Technician**

[Portuguese version](#)

**Internal Reference: Radiant - Técnico de Laboratório**

### 1. Framework

The Rector of the Universidade Católica Portuguesa, Prof. Dr. Isabel Capelo Gil, hereby announces the opening of an international call for applications for one vacancy of laboratory technician to perform duties of to perform duties of scientific research leading to the valuation of old and underutilized varieties of plant species, as well as the assessment of their effect on health, in the scientific field of Biotechnology and Food Innovation. The research activities will be carried out at the Centre for Biotechnology and Fine Chemistry (CBQF), integrated at the Faculty of Biotechnology of Universidade Católica Portuguesa, in Porto, within the framework of the project RADIANT: Realising Dynamic Value Chains for Underutilised Crops” (GA 101000622). This contract is financed by European funds through the H2020 – REA B2 program of the European Commission.

The work to be developed, within the framework of the RADIANT project, is expected to last 23 months and aims to develop scientific activities related to consumer studies, nutritional analysis of foods of plant origin (in particular raw materials of old varieties and products derived from them), sensory analysis of foods, integration in the student guidance team, develop and supervise activities carried out on 'AURORA farms' including helping in elaborating their "transition diaries", preparation of progress reports, foster frequent contact with partners in order to gather and submit project deliverables on time. Finally, the technician will help promote communication and dissemination activities of the project results.

### 2. Workplace

The workplace is located at the Porto facilities of the Universidade Católica Portuguesa.

### 3. Remuneration

Gross monthly pay is 1738,30, plus meal allowance, to which will be added annual leave and Christmas allowances.

### 4. Admission requirements

Any national, foreign, or stateless candidates who hold a degree in Biotechnology and Food Innovation or related scientific fields, and who furthermore hold a scientific and professional curriculum vitae whose profile is suited to the activities to be performed, can submit their application. If the degree was awarded by a foreign

REITORIA | Palma de Cima, 1649-023 Lisboa - Portugal | T: (+351) 217 265 838 | E: [gabinetereitoria@ucp.pt](mailto:gabinetereitoria@ucp.pt) | [www.ucp.pt](http://www.ucp.pt)

higher education institution, said degree must comply with the provisions of Portuguese legislation regarding the recognition of foreign degrees. For those purposes, the requirements described in **point no. 9** of this public notice must be considered.

#### 4.1. General Requirements

Master's in biotechnology and Food Innovation training areas, or related scientific areas.

#### 4.2. Specific Requirements

- At least five years of experience in post-master's scientific research and demonstration of a research trajectory in the area of designing plant nutrition and sustainability studies, epidemiological studies and the role of plant-based diets in human health;
- Experience in molecular biology techniques, including transcriptomic analysis by Quantitative Real Time PCR;
- Experience in the metabolomics characterization of biological samples;
- Experience in performing descriptive and inferential statistical analysis, including principal component analysis and PLS;
- Publications and communications in national and international scientific meetings that demonstrate results in the areas mentioned above;
- Excellent communication skills, interpersonal skills and teamwork;
- Strong organizational skills, leadership spirit, initiative and time management;
- High degree of rigor and sense of responsibility;
- Strong capacity for work, autonomy and responsibility;
- Excellent level of written and spoken English.

#### 5. Assessment criteria

The assessment criteria, based on the requirements listed in point 4, are the following:

- i. Curricular evaluation (50%);
- ii. Previous experience (50%).

If necessary, the candidates ranked in the top positions may be interviewed, with the assessment criteria being the following: Curricular evaluation 35%; previous experience (40%); interview (25%). The selected candidate must obtain a final classification of 16 and more (out of 20).

#### 6. Tender Selection Panel

The tender selection panel shall be formed by:

President of the Jury: Prof. Dr. Marta Vasconcelos;

Other members: Prof. Dr. Elisabete Pinto; Prof. Dr. Carla Santos and Dr. João Cortez.

## 7. Deliberation and publication

The panel shall deliberate by means of roll-call voting based on the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be taken. These shall contain a summary of events, as well as details of the votes cast by each of the members and their respective reasoning. After all selection criteria have been applied, the panel shall prepare a ranked list of approved candidates and their respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate.

The ranked list of approved candidates will be posted at the Porto facilities of Universidade Católica Portuguesa, located at Universidade Católica Portuguesa – Centro Regional do Porto, Rua de Diogo Botelho, 1327, 4169-005 Porto, Portugal and will be published on the website <http://www.porto.ucp.pt>. Candidates will be notified by email once this list has been made available.

## 8. Preliminary Hearing and Final Decision Deadline

After notification of the results, candidates have ten days to respond. In the following five days (counting from the end of the candidates' response period), the panel's final decision is issued.

## 9. Formal application procedure

Applications are formalized by completing the application form available at <https://hr-ucpporto.inqueritos.porto.ucp.pt/354611?lang=en>

Applications must be submitted in English.

Applications shall include the following documents:

- a) Curriculum vitae;
- b) Certificate of conclusion of the degree with the respective date;
- c) Cover letter, demonstrating the candidate's motivations;
- d) If the degree is issued by foreign higher education institutions, the candidate must submit the Recognition Certificate or proof of the application for recognition pursuant to Portuguese law.

If the degree has been awarded by a non-Portuguese higher education institution, said degree must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, as set out in Decree-Law no. 66/2018 of August 16th. Entering into a contract with the selected candidate is conditional on the submission of the formal document.

For additional information on this matter candidates are advised to check the website of the Directorate-General for Higher Education (DGES): <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

## 10. Application deadline

Candidates may submit their application, pursuant to the terms mentioned in the previous point, **from September 29, 2023 until October 9, 2023 (until 5pm, Continental Portugal time).**

Candidates who do not comply with the application's prerequisites or who fail to submit proof of meeting the requirements stated in the present public notice shall be excluded from consideration. In case of doubt, the panel is entitled to request that candidates present further documentation attesting to their written statements. Failure to submit the requested clarification, information, or documents, within five working days of being requested to do so, determines the dismissal of the application.

Any false statements made or provided by the candidates are punishable by law.

### 11. Privacy Policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only, and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfillment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyze and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfillment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

Rights of Personal Data Subjects: <https://www.ucp.pt/rights-data-subjects>.

For purposes of exercising the respective rights, contact the University through the e-mail address [compliance.rgpd@ucp.pt](mailto:compliance.rgpd@ucp.pt) or by using the address found at the end of this announcement, through the means set out in "Contacts for clarification".

The Data Subject is always entitled to contact and file a complaint with the Comissão Nacional de Proteção de Dados (Portuguese Supervisory Authority for Personal Data).

### 12. Non-discrimination and equal access policy

Universidade Católica Portuguesa actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefited, impaired or deprived of any rights whatsoever, or be exempt of any duties based on their ancestry, age, gender, sexual orientation, marital status, family status, family and economic conditions, instruction, social origin or condition, genetic heritage, reduced working capacity,

disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions, and/or union membership.

### 13. Final remarks

The present call for applications is exclusively destined to fill this specific vacancy and can be terminated at any time up to the approval of the final candidate list. The call for applications expires once the vacancy has been filled.

The present call for applications and the contract signed as a result thereof shall only take effect if financing conditions are met.

The present call for applications may be canceled when it is vacant, when any case of force majeure occurs, or when other reasons of a budgetary nature, occurring after the opening of the competition, determine it.

The selected candidate shall be hired by Universidade Católica Portuguesa as a **laboratory technician** under an uncertain term contract (contrato a termo incerto) predicted to start on November 1, 2023 with the estimate duration of 22 months (duration of the activities) which will never, under any circumstances, be superior to 48 months.
