CALL FOR APPLICATION FOR A RESEARCH SCHOLARSHIP

Refª Bioshoes4all_BI_2_ESB

[Portuguese version](#)

A call for tenders is now open for the attribution of one Research Scholarship within the scope of the Project “Bioshoes4all - Innovation and Training of the Footwear Industry for the Sustainable Bioeconomy.” covered by Invitation Notices No. 01/C12-i01/2021 and No. 02/C12-i01/2021”, financed through the Recovery and Resilience Program (PRR) under the following conditions, set out below.

Scientific area: Biotechnology.

Admission requirements:

General requirements:

Candidates for the Research grant must hold a master’s degree in Nutrition and Biotechnology or related areas, with a final average rating equal to or greater than 16 points and holders of a scientific and professional curriculum that reveals a profile suited to the activity to be developed, as well as proficiency in the English language.

Specific requirements:

Candidates must also have knowledge/research experience in valorisation of by-products, extraction and characterization of functional and bioactive molecules from food by-products, with skills in microbiology and analytical methodologies for the chemical characterization of fibers and polyphenols. Candidates must also be fluent in English.

Preferred Factors:

Will be considered preferred factors the experience in research projects and evidence from international scientific publications.

UNIVERSIDADE
CATÓLICA

PORTO

Candidates for the Research scholarship must also be enrolled or commit to enrolling in a course that does not lead to an academic degree that promotes the consolidation of their scientific training¹.

Work Plan:

The activities to be developed by the scholarship holder are part of a project whose main objective is to enhance the value of plant-based food by-products, with a focus on new technologies and the development of innovative biomaterials and composites for the footwear industry. The activities to be developed are part of the specific objective of identifying, quantifying and characterizing high-value molecules, such as fibers and phenolic compounds from different seasonal by-products of the agri-food industry, their incorporation into different footwear components and performance evaluation. The scholarship holder must continue the developments that have already been initiated, as well as support the development and optimization of methodologies and the dissemination of the project.

Applicable legislation and regulations:

- Statute of the Scientific Research Fellow: <https://dre.pt/web/guest/legislacao-consolidada/-/lc/58216179/view?w=2019-08-28>;
- Regulation of Research Scholarships of the Science and Technology Foundation, I.P.: <https://dre.pt/application/conteudo/127238533>;
- Regulation of Research Scholarships of the Portuguese Catholic University: http://www.porto.ucp.pt/sites/default/files/files/DRH/RegBolsasInvestigacao_Cientifica_UCP_2020.pdf

Workplace:

The work will be developed at the CBQF - Centro de Biotecnologia e Química Fina da Universidade Católica Portuguesa – Escola Superior de Biotecnologia. of the Universidade Católica Portuguesa in Portugal, in Porto, under the scientific supervision of Professora Doutora Manuela Pintado.

¹ Candidates are given the possibility, at the application stage, to submit only a declaration of commitment to enroll in a course that does not confer an academic degree under the terms mentioned above. If the candidate is selected, the delivery failure of the effective enrollment document for the course, within ten working days, following the date of communication of the selection, will be considered as withdrawal of the candidate for the scholarship investigation for which you were selected.

Duration of the scholarship:

The scholarship, which is expected to begin on November 15, 2024, will have a duration of 6 months on an exclusive basis. The scholarship cannot be renewed.

Monthly maintenance allowance amount:

The amount of the scholarship corresponds to 1259,64€. according to the research scholarship values awarded directly by FCT, I.P. in the Country (https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf) and will be paid by bank transfer.

Selection methods:

The selection methods to be used will be the following: i) curriculum (40%); ii) previous experience (60%). If necessary, the 3 best positioned candidates may be interviewed, and in this situation, the weighting will be curricular evaluation (35%); ii) previous experience (50%) and selection interview (15%).

Only candidates with a final classification equal to or greater than seventy-five values, on a scale of 0 to 100, will be selected for this position.

Applications that do not meet the admission requirements, delivered on time and incomplete applications will be considered ineligible.

Composition of the Selection Jury: President of the Jury: Dr. Manuela Pintado, Effective Members: Dr. Sara Silva and Dr Tânia Ribeiro. Substitute Jury: Dr Ana Amaro.

Form of advertising/notification of results:

The jury deliberates in accordance with the selection criteria adopted and disclosed. The jury meetings minutes will contain a summary of the meeting content. After completing the application of the selection criteria, the jury proceeds with the elaboration of the ordered list, with the ranking of the approved candidates. The ranking list of eligible candidates will be published on the premises of the Universidade Católica Portuguesa, in Porto, located at Rua de Diogo Botelho, 1327, 4169-005 Porto - Portugal, with each candidate being notified of his/her position on the list ranking of candidates via email. Ineligible applicants will be notified by email, with details of the missing eligibility elements.

Complaint and appeal procedures:

Candidates have a period of ten working days, after the disclosure referred to in the previous number, to give their opinion at a prior hearing.

Deadline for acceptance of the scholarship:

Within ten working days following notification of the grant award, the selected candidate must confirm in writing his/her availability to start the scholarship on the proposed date. Failing to do so or not having availability, the candidate placed in the next position will be called.

Application deadline and form of submission:

Candidates submit their application from October 7, 2024 until October 21, 2024 (until 5 pm, Lisbon time).

Applications are formalized by completing the **Application Form**: <https://hr-ucpporto.inqueritos.porto.ucp.pt/588151?lang=en>

It will be necessary to submit the following documents:

- 1) Cover letter, identifying the title and reference of the project, describe the motivation and professional objectives of the candidate.
- 2) Detailed Curriculum Vitae (should contain all the elements to assess the admission requirements, including language knowledge and research experience).
- 3) Copy of the certificate(s) of qualifications conferring academic degree in the terms requested in the notice, which contain the final classifications.
- 4) Registration of recognition of the academic degree awarded by a foreign higher education institution, preferably with the registration of the conversion of the respective final classification to the Portuguese classification scale to guarantee eligibility in this call for application².

²If the required academic degree has been conferred by a foreign higher education institution, it must comply with the Portuguese legislation on the recognition of foreign degrees, regulated by DL no. 66/2018 of 16 August.

Applicants are advised to consult the website of the Directorate-General for Higher Education (DGES) for additional information on this matter: <https://www.dges.gov.pt/pt/pagina/reconhecimento>.

- 5) Proof of enrollment in a course that does not award an academic degree or declaration of commitment to enroll in a course that does not award an academic degree as set out in the admission requirements.

Only applications received during the opening period of the above-mentioned call shall be considered. Candidates who incorrectly formalize their application or who do not prove the requirements of this call are excluded. False statements made by applicants will be punished under the law.

Privacy Policy:

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data processed in the scope of this tender procedure is processed within the framework of said tender procedure only and will be processed by Universidade Católica Portuguesa with the purpose of verifying the fulfilment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyse and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfilment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

Rights of Personal Data Subjects: <https://www.ucp.pt/rights-data-subjects>.

For purposes of exercising the respective rights, contact the University through the e-mail address compliance.rgpd@ucp.pt or by using the address found at the end of this announcement, through the means set out in "Contacts for clarification".
