**PUBLIC NOTICE FOR AN INTERNATIONAL CALL FOR APPLICATIONS
FOR THE POST OF APPLIED RESEARCH ASSISTANT**

Internal Reference: ISAAP - Assistente de Investigação Aplicada

[Portuguese version](#)

1. Framework

The Rector of the Universidade Católica Portuguesa, Prof. Dr. Isabel Capelo Gil, hereby announces the opening of an international call for applications for one vacancy of applied research assistant to perform duties of development (with an exclusivity clause), in the scientific field of Biotechnology and Food Science. The research activities will be carried out at the Centre for Biotechnology and Fine Chemistry (CBQF), integrated at the Faculty of Biotechnology of Universidade Católica Portuguesa, in Porto, within the framework of the project ISAAP: Innovative strategies to accelerate adoption and consumption of Plant-Based food through action plans and implementation activities at country level. This contract is co-financed by European funds through the EIT Food.

Within ISAAP's strategic plan, the following work objectives are identified:

- 1) Development of a viable prototype for a plant-based cheese: this task involves the development of recipes and viable alternatives for a legume-based cheese, using the species promoted in the context of the project.
- 2) contributing to shorter value chains: establishing collaborations with industry, the production and processing sector, and other relevant actors in the legume value chain.
- 3) Development of work reports and communication of results: contribution to project evaluation moments, participation in consortium meetings and presentation of results obtained at national and international events.

2. Workplace

The workplace is located at the Porto facilities of the Universidade Católica Portuguesa.

3. Remuneration

Gross monthly pay is 1345,60 €, plus meal allowance, to which will be added annual leave and Christmas allowances.

4. Admission requirements

Any national, foreign, or stateless candidates who hold a degree in Biotechnology or Food Science and Technology or related scientific fields, and who furthermore hold a scientific and professional curriculum vitae whose profile is suited to the activities to be performed, can submit their application. If the degree was

Co-funded by the
European Union

awarded by a foreign higher education institution, said degree must comply with the provisions of Portuguese legislation regarding the recognition of foreign degrees. For those purposes, the requirements described in **point no. 9** of this public notice must be considered.

4.1. General Requirements

The general admission requirements are those defined in point 4 above.

4.2. Specific Requirements

- a) R&D activity of at least 5 years (years dedicated to Fellowships and PhD research activities included).
- b) Previous experience in R&D in the area of food product development and characterisation, particularly in the areas of fermentation and plant-based foods.
- c) Sound understanding and practical experience in the development and implementation of analytical techniques and characterization (physico-chemical, rheological, microbiological and sensorial) of different plant-based food matrices.
- d) Experience in the design of protocols to assess the technological and functional impact of different ingredients.
- e) Excellent communication, interinstitutional, interpersonal, and teamwork skills.
- f) Strong statistical and mathematical aptitude.
- g) Strong time management and problem-solving skills.
- h) Strong sense of personal integrity and responsible conduct of research.
- i) Proficiency of written and spoken English.

5. Assessment criteria

The assessment criteria, based on the requirements listed in point 4, are the following:

- i. Curricular evaluation (60%);
- ii. Previous experience (40%).

If necessary, the candidates ranked in the top positions may be interviewed, with the assessment criteria being the following: Curricular evaluation (50%); previous experience (30%); interview (20%) Only candidates with a final score equal to or greater than seventy-five, on a scale of 0 to 100, will be selected for this position).

6. Tender Selection Panel

The tender selection panel shall be formed by:

President of the Jury: Prof. Dr. Ana Gomes;

Other members: Prof. Dr. Marta Vasconcelos and Dr. Carla Santos.

Co-funded by the
European Union

7. Deliberation and publication

The panel shall deliberate by means of roll-call voting based on the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be taken. These shall contain a summary of events, as well as details of the votes cast by each of the members and their respective reasoning. After all selection criteria have been applied, the panel shall prepare a ranked list of approved candidates and their respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate.

The ranked list of approved candidates will be posted at the Porto facilities of Universidade Católica Portuguesa, located at Universidade Católica Portuguesa – Centro Regional do Porto, Rua de Diogo Botelho, 1327, 4169-005 Porto, Portugal and will be published on the <https://cbqf.esb.ucp.pt/>. Candidates will be notified by email once this list has been made available.

8. Preliminary Hearing and Final Decision Deadline

After notification of the results, candidates have ten days to respond. In the following five days (counting from the end of the candidates' response period), the panel's final decision is issued.

9. Formal application procedure

Applications are formalized by completing the application form available at <https://hr-ucpporto.inqueritos.porto.ucp.pt/646988?lang=en>.

Applications must be submitted in English.

Applications shall include the following documents:

- a) Curriculum vitae.
- b) Certificate of conclusion of the degree with the respective date.
- c) Cover letter, demonstrating the candidate's motivations.
- d) If the degree is issued by foreign higher education institutions, the candidate must submit the Recognition Certificate or proof of the application for recognition pursuant to Portuguese law.

If the degree has been awarded by a non-Portuguese higher education institution, said degree must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, as set out in Decree-Law no. 66/2018 of August 16th. Entering into a contract with the selected candidate is conditional on the submission of the formal document.

For additional information on this matter candidates are advised to check the website of the Directorate-General for Higher Education (DGES): <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

European Union

Candidates who do not comply with the application's prerequisites or who fail to submit proof of meeting the requirements stated in the present public notice shall be excluded from consideration. In case of doubt, the panel is entitled to request that candidates present further documentation attesting to their written statements. Failure to submit the requested clarification, information, or documents, within five working days of being requested to do so, determines the dismissal of the application.

Any false statements made or provided by the candidates are punishable by law.

11. Privacy Policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only, and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfillment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyze and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfillment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

Rights of Personal Data Subjects: <https://www.ucp.pt/rights-data-subjects>.

For purposes of exercising the respective rights, contact the University through the e-mail address compliance.rgpd@ucp.pt or by using the address found at the end of this announcement, through the means set out in "Contacts for clarification".
