CALL FOR APPLICATION FOR A POST-DOCTORAL RESEARCH GRANT (BIPD)

Refª Pacto Bio Economia Azul Rações_BI_5

[Portuguese version](#)

A call for tenders is now open for the attribution of one post-doctoral research grant (BIPD) within the scope of the Project “Pacto Bioeconomia Azul (PBA)” financed by the Portuguese Recovery and Resilience Plan (PRR) in its Component C5 - Training and Business Innovation under the Incentive System Regulation “Agendas for Business Innovation” and Invitation Notice No. 02/C05-i01/2022 – Rações Project, under the following conditions, set out below.

Scientific area: Biological sciences

Admission requirements:

General requirements:

The postdoctoral research grant can be awarded only if the following requirements are cumulatively met:

- a) PhD degree obtained in the three years before the start date of the grant.
- b) The post-doctoral research will be carried out in a host entity other than the one in which the research work leading to the award of the PhD degree was carried out.
- c) The grant holder does not exceed, with the celebration of the grant contract in question, including possible renewals, an accumulated period of three years in this fellowship type, followed or interpolated.

In addition to the requirements mentioned above, candidates for the research grant must have a PhD in the scientific area of biological sciences or related areas.

Specific requirements:

Candidates must also have knowledge/research experience in the following areas:

- Development of functional ingredients, including enzymatic hydrolysis and the production and characterization of bioactive peptides;
- Valorization of agri-food byproducts and/or alternative protein sources.

Preferred Factors:

Strong scientific communication skills, including a proven record of publications, conference presentations and prizes are valued. Candidates must demonstrate the ability to work independently and collaboratively in multidisciplinary research projects. Proficiency in English, both written and spoken, is essential.

Work Plan:

The activities to be developed by the scholarship holder are part of a project whose main objectives are to process and characterize protein hydrolysates from industrial by-products and the development of applications with high added value, in the food and health area. This scholarship holder must continue the developments started, as well as support the development and optimization of methodologies and the dissemination of the project.

Applicable legislation and regulations:

- Statute of the Scientific Research Fellow: <https://dre.pt/web/guest/legislacao-consolidada/-/lc/58216179/view?w=2019-08-28>;
- Regulation of Research Scholarships of the Science and Technology Foundation, I.P.: <https://dre.pt/application/conteudo/127238533>;
- Regulation of Research Scholarships of the Portuguese Catholic University: http://www.porto.ucp.pt/sites/default/files/files/DRH/RegBolsasInvestigacao_Cientifica_UCP2020.pdf

Workplace:

The work will be developed at the CBQF -Centro de Biotecnologia e Química Fina. of the Universidade Católica Portuguesa in Portugal, in Porto, under the scientific supervision of Prof. Dr. Manuela Pintado.

Duration of the scholarship:

The scholarship will have a duration of 3.5 months, on an exclusive basis, with an expected start date of March 15, 2026. In any case, the fellowship's validity is limited to the end date of the project "Pacto Bioeconomia Azul (PBA)", currently scheduled for June 30, 2026. Therefore, the scholarship contract will terminate automatically on the effective completion date of the project, should it occur before the expiration of the scholarship period mentioned above.

Monthly maintenance allowance amount:

The amount of the research grant corresponds to 1 851,00€ per month, free of tax, according to the research scholarship values awarded directly by FCT, I.P. in the Country (https://www.fct.pt/wp-content/uploads/2025/02/Tabela_valores_SMM_2025.pdf) and will be paid by bank transfer.

Selection methods:

The selection methods to be used will be the following: i) curriculum evaluation (40%); ii) previous experience (60%). If necessary, the 3 best positioned candidates may be interviewed, and in this situation, the weighting will be curricular evaluation (35%); ii) previous experience (50%) and selection interview (15%).

Only candidates with a final classification equal to or greater than seventy-five points, on a scale of 0 to 100, will be selected for this position.

Applications that do not meet the admission requirements, delivered on time and incomplete applications will be considered ineligible.

Composition of the Selection Jury: President of the Jury: Prof. Dr. Manuela Pintado, Effective Members: Dr. Sandra Borges and Dr. Maria Emilia Brassesco. Substitute Jury: Dr. Ana Amaro

Form of advertising/notification of results: The jury deliberates in accordance with the selection criteria adopted and disclosed. The jury meetings minutes will contain a summary of the meeting content. After completing the application of the selection criteria, the jury proceeds with the elaboration of the ordered list, with the ranking of the approved candidates. The ranking list of eligible candidates will be published on the premises of the Universidade Católica Portuguesa, in Porto,

located at Rua de Diogo Botelho, 1327, 4169-005 Porto - Portugal, with each candidate being notified of his/her position on the list ranking of candidates via email. Ineligible applicants will be notified by email, with details of the missing eligibility elements.

Complaint and appeal procedures: Candidates have a period of ten working days, after the disclosure referred to in the previous number, to give their opinion at a prior hearing.

Deadline for acceptance of the scholarship: Within ten working days following notification of the grant award, the selected candidate must confirm in writing his/her availability to start the scholarship on the proposed date. Failing to do so or not having availability, the candidate placed in the next position will be called.

Application deadline and form of submission:

Candidates submit their application under the terms mentioned in the previous point, from January 22, 2026. until February 5, 2026. (until 5 pm, Lisbon time).

Applications are formalized by completing the **Application Form** <https://hr-ucpporto.inqueritos.porto.ucp.pt/588151?lang=en>

It will be necessary to submit the following documents:

- 1) Cover letter, identifying the title and reference of the project, describe the motivation and professional objectives of the candidate.
- 2) Detailed Curriculum Vitae (should contain all the elements to assess the admission requirements, including language knowledge and research experience).
- 3) Copy of the certificate(s) of qualifications conferring academic degree in the terms requested in the notice.
- 4) Registration of recognition of the academic degree awarded by a foreign higher education institution, preferably with the registration of the conversion of the respective final classification to the Portuguese classification scale to guarantee eligibility in this call for application¹.

¹If the required academic degree has been conferred by a foreign higher education institution, it must comply with the Portuguese legislation on the recognition of foreign degrees, regulated by DL no. 66/2018 of 16 August.

- 5) Copy of scientific publications and other works that the candidate may consider relevant.
- 6) Up to three reference letters (optional).

Only applications received during the opening period of the above-mentioned call shall be considered. Candidates who incorrectly formalize their application or who do not prove the requirements of this call are excluded. False statements made by applicants will be punished under the law.

Privacy Policy:

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data processed in the scope of this tender procedure is processed within the framework of said tender procedure only and will be processed by Universidade Católica Portuguesa with the purpose of verifying the fulfilment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyse and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfilment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose to the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

Rights of Personal Data Subjects: <https://www.ucp.pt/rights-data-subjects>.

Applicants are advised to consult the website of the Directorate-General for Higher Education (DGES) for additional information on this matter: <https://www.dges.gov.pt/pt/pagina/reconhecimento>
